

Booking Conditions

1. Making a Booking

- 1.1 A booking allows you to reserve a vehicle of a particular category and optional extras to be collected at a particular time, date and location and for the agreed rental period so long as you meet our rental requirements.

2. Payment

- 2.1 If you are booking through one of our websites it is possible to pre-pay your rental as well as to pay at your rental station. If you choose to pre-pay you are agreeing that the company Zodiac Europe Finance Company Limited can debit your chosen method of payment the sum as well as agreeing to our Booking Conditions.
- 2.2 Not all optional extras are capable of being pre-paid online. These costs are paid for at the rental location upon arrival.
- 2.3 In order to validate a rental you are required to present a credit card in your name. We cannot remotely authorise credit cards, nor can we accept authorisation from a credit card if the cardholder is not present. We accept Mastercard, Visa, American Express and Diners. In some instances we can accept Visa or Mastercard debit cards. Whether your debit card is acceptable or not depends on if we can authorize payment in same manner as we would a credit card. We do not accept cash, or prepaid credit cards.
- 2.4 At the time of collection we will take a pre-authorization on your card to cover the estimated cost of any extras, fuel and traffic fines. If your rental is not pre-paid the pre-authorization will also include the total cost of your rental and at the end of the lease, the authorization is used to pay for the rental. If at the end of your rental, your costs are higher than the pre-authorization, you agree that we may charge the outstanding balance to the same credit card.

3. Changing your Booking

- 3.1 Any changes to a booking are subject to availability of our vehicles at any given time. Please be advised that changes to bookings are subject to the current rates at the time of modification meaning the price could change.
- 3.2 If the booking is pre-paid and changes are made which stand to lower the overall price of the rental, it is not possible to refund the difference. You can however, take advantage of the difference in the form of credit to pay for extras as part of your rental.
