What is an "excess"? In the event of an accident to – or theft of – the vehicle, a sum of money (called an excess) has to be paid. The renter will still have to pay the excess amount, even if he was not at fault. If and when Avis recovers the cost of the damage from the insurance company, then Avis will compensate the customer. Extra insurances, which are not automatically included in the price of your car hire, will either remove or reduce this amount. These can be bought when you collect your Avis car.

What does "additional driver" mean? The rental car is insured for one person – the named driver. If others are to drive your Avis car, then those people need to be present and show their driving license when the car is picked up. There will be an additional charge for each driver.

IN CASE OF AN INCIDENT, ACCORDING TO THE ARTICLE K70 OF THE GREEK LW, CUSTOMER IS OBLIGED TO COMPLETE AN INCIDENT REPORT FORM, REGARDLESS HIS RESPONSIBILITY OR NOT.
