Yes, you must give us a pre-authorisation on your payment card before we release the vehicle to you. A pre-authorisation holds money in your account.

What do I need to do to give a pre-authorisation?

You'll need to give us a payment card in your own name that has enough money available on it. **Find out more :** see the "Payments Options" section in this document.

How much is the pre-authorisation?

The amount of the pre-authorisation taken on pick-up of the rental vehicle is calculated as follows:

* The "vehicle rental price" includes the vehicle rental cost and all optional extras you've requested, calculated at the start of the rental based on the intended length of the rental. The GBP 300 (or if applicable, the equivalent amount in your local currency) is included as part of the pre-authorisation in case we have to charge you at the end of the rental for any of the following:

- ii. additional rental charges in circumstances where you fail to return the vehicle or any optional extras at the end of the agreed rental period [or to the agreed return location];

Fuel and Electricity charges

Fuel and hybrid vehicles

Should I bring the vehicle back with a full tank of fuel?

Yes. The vehicle will normally be supplied with a full tank of fuel. You must return it to us with the same amount of fuel it had in it when you picked it up – usually a full tank – as shown on the factory-installed fuel gauge. We recommend you fill up as close to the return location as you can on the return date, and keep the receipt to show us. If you don't return the vehicle with a full tank – and you can't show us a receipt for fuel – we will charge you.

Fuel Options

I plan to travel more than 300 kilometres, and want peace of mind, do you have a fuel option for me?

Yes, with *Fuel Up Front* you pay for a full tank of fuel, based on the manufacturer's stated fuel tank capacity for your vehicle – plus our costs of refuelling the vehicle for you. Then you just return the vehicle with whatever's left in the tank (even if it's virtually empty) so long as the engine still runs.

Can I get Fuel up Front at any time?

No, if you want to take advantage of Fuel Up Front, you must ask for it during the booking process or when you pick up the vehicle.

I plan to travel less than 10 kilometres, do I still need to fill up?

Yes, often the fuel gauges stills look “full” so we ask you to fill up the tank near to the return location and show us a copy of the receipt.

What are my options if I don't return the vehicle full and haven't bought Fuel up Front?

Pay on Return will apply if you have driven more than 5 kilometres and:

- Don't buy Fuel Up Front
- Don't return the vehicle with a full tank

How do I calculate the cost of Pay on Return?

You pay for fuel based on the factory-installed fuel gauge rounded down to the nearest eighth (1/8) of a tank. This is based on the manufacturer's stated fuel tank capacity.

We charge a mark up of up to 20% of the fuel price, for Norway, at the end of the rental period in addition to a refuelling charge of 250 NOK. The price per litre will be stated on your rental agreement. This charge covers our cost of driving to the nearest petrol station at short notice, and potentially delaying the next customer's rental.

Electric vehicles

How much battery charge should I return an electric vehicle with?

You must return the vehicle with at least a 70% battery charge, or the same % battery charge as it had at time of pick-up.

What am I charged if I fail to return an electric vehicle with the required 70% battery charge, or the same % battery charge as it had at time of pick-up?

We charge a fixed amount dependent on the battery life showing on the factory-installed battery gauge. This is the “Pay on Return” rate. The amounts charged are set out below:

Battery Charge	Fixed Cost (inclusive of VAT)
If you return the electric vehicle with 70% or more battery charge.	No Cost.
If you return the electric vehicle with between 11% - 69% battery charge.	NOK 231.71
If you return the electric vehicle with 10% or less battery charge.	NOK 411.06

Yes, but only if we have approved them. You must not let anyone else drive the vehicle.

We charge a fee for every *Additional Driver* we allow to drive the vehicle. The price depends on the location you're renting from, but you can expect it to be between 37,50 NOK and 40.00 NOK per day, per driver.

If you rent the vehicle for more than 10 days, you'll only be charged for a maximum of 10 days and get cover for the duration of your rental, up to 31 days.

All additional drivers must meet our age, driving licence and ID requirements. **Find out more** : see the “Age Information” and “Driving Licence and ID requirements” sections of this document.

If any additional driver is outside of our age restrictions, we will also charge a driver surcharge. **Find out more:** see the “Age Information” section of this document.

Do you offer a ‘meet and greet’ service?

No, unfortunately we are unable to offer a ‘meet and greet’ service at this time.

Can I pick up the vehicle outside your normal opening hours?

Yes, some airport and train station rental locations offer an out of hour’s pick-up service where you can collect the vehicle and any optional extras outside the rental location’s normal opening hours.

The out of hour’s pick up fee is given upon on request.

You must give us at least 1 day’s notice to organise out of hour’s pick-up. We may be able to provide the service at shorter notice, but you will need to check with the Reservations team.

My rental has a mileage allowance. I have driven more than the allowance, how much will I pay for excess mileage?

Many of our vehicles are provided with unlimited mileage. If a mileage allowance applies, it will be stated on your rental agreement and in your booking confirmation email. If you go over the mileage allowance, the price depends on the vehicle and location – but you can expect it to costs between 2.00 NOK and 15.00 NOK for every kilometre you’ve driven over the allowance. Your excess mileage charge will be stated on your rental agreement.

Can I smoke in the vehicle?

No, it is against the law to smoke in public places in Norway. The vehicle is considered a public place so you are not allowed to smoke in it. If we believe anyone has smoked in the vehicle during the rental period, a specialist cleaning charge will apply.

Find out more : see the “Age Information” and “Driving Licence and ID requirements” sections of this document.

Are there any roads or zones where I need to pay a fee before I can enter?

Yes, certain areas, such as e.g. entering Oslo, entering Bærum, other cities, have congestion charging zones meaning you need to pay a fee if you wish to drive in certain areas, on certain days and during certain times. In addition, there are toll roads and toll bridges which require you to pay a fee if you wish to use them. If you do not pay these charges before you enter such areas or use such roads or bridges, you will incur a fine.

We recommend you check the Internet to find out where you will be charged a toll fee before you travel. Websites such as www.autopass.no/en/autopass provide useful information. If the rental location is in or near a restricted area, we will tell you about it when you pick up the vehicle. We are unable to tell you about any other restricted areas.

I have been caught speeding, and/or didn’t pay a parking charge, what will I have to pay?

You are responsible for all fines and charges issued as a result of you or your additional drivers using the vehicle. Fines and charges could include:

- All parking fines or charges
- Toll charges
- Towing charges
- Clamping costs
- Traffic fines or charges
- Speeding fines
- And any other charges or fines

If a fine or charge is sent to us because you haven’t paid a charge or complied with the law, we will take payment for:

- Our administration fee of 450 NOK for each fine or charge issued in Norway to cover our costs of dealing

with the fine or charge, or

- Our administration fee of between €24 and €45 for each fine or charge issued in any other country, which will be charged in the currency of the country where the fine occurred
- Plus the fine or charge – if we have to pay it

I've left the interior of the vehicle very dirty and made it smell. Will I be charged to clean it?

Yes, if the interior of the vehicle is especially muddy, dirty, stained or smelly, and our standard cleaning procedure will not fix it, you will be charged a Specialist Cleaning Charge of 3750.00 NOK.

Roadside Assistance

What happens if I break down because of a mechanical failure?

All our vehicles are maintained to the manufacturer's standards, and they're roadworthy when you pick them up so mechanical failure in our vehicles is rare. So long as you're using the vehicle in a country we've agreed to, we provide roadside assistance or recovery free of charge. You can only use our roadside assistance provider to help you. You'll find their contact details inside the vehicle.

What happens if I break down because of a non-mechanical failure or in another country?

You must tell us if you break down or have an accident. If you need roadside assistance, we will arrange this for you but you will have to pay for it. You will also be charged for any costs we incur getting the vehicle back on the road in the country of rental. This may include, but is not limited to:
