Fastbreak is our priority service for corporate customers and people who hire a car frequently

Fastbreak is available at this location

[return to top](#)

## Fuel charges

Should I bring the vehicle back with a full tank of fuel?

Yes. The vehicle will normally be supplied with a full tank of fuel. You must return it to us with the same amount of fuel it had in it when you picked it up - usually a full tank - as shown on the factory-installed fuel gauge. We recommend you fill up as close to the return location as you can on the return date, and keep the receipt to show us. If you don't return the vehicle with a full tank - and you can't show us a receipt for fuel - we will charge you.

Fuel Options

I plan to travel more than 120 kilometres, and want peace of mind, do you have a fuel option for me?

Yes, with Fuel Up Front you pay for a full tank of fuel, based on the manufacturer's stated fuel tank capacity for your vehicle - plus our costs of refuelling the vehicle for you. Then you just return the vehicle with whatever's left in the tank (even if it's virtually empty) so long as the engine still runs.

How do I calculate the cost of Fuel Up Front?

Depending on where you're renting, this cost could be up to € 0.05 per liter lower than the average fuel price at the start of your rental period - as stated on this EU fuel index: WEBSITE e.g. [http://ec.europa.eu/energy/observatory/oil/bulletin\\_en.htm](http://ec.europa.eu/energy/observatory/oil/bulletin_en.htm) However, you don't get a refund for any fuel you don't use.

Can I get Fuel up Front at any time?

No, if you want to take advantage of Fuel Up Front, you must ask for it during the booking process or when you pick up the vehicle.

I plan to travel less than 120 kilometres, do I still need to fill up?

Yes, often the fuel gauges still look "full" so we ask you to fill up the tank near to the return location and show us a copy of the receipt. If you don't have time to fill up the tank, or can't show us a receipt, we will apply EZ Fuel to cover our costs of refuelling the vehicle for you.

How much is EZ Fuel?

Please see our tariff conditions for fuel.

What are my options if I don't return the vehicle full and haven't bought Fuel up Front?

Pay on Return will apply if you have driven more than 120 kilometres and:

- o Don't buy Fuel Up Front
- o Don't return the vehicle with a full tank

How do I calculate the cost of Pay on Return?

You pay for fuel based on the factory-installed fuel gauge rounded down to the nearest eighth (1/8) of a tank. This is based on the manufacturer's stated fuel tank capacity.

We charge between 1.5 and three times the average fuel price at the end of the rental period for France - as stated on this EU fuel index:

[http://ec.europa.eu/energy/observatory/oil/bulletin\\_en.htm](http://ec.europa.eu/energy/observatory/oil/bulletin_en.htm) plus a service fee, please see our tariff conditions. The price per litre will be stated on your rental agreement. This charge covers our cost of driving to the nearest petrol station at short notice, and potentially delaying the next customer's rental.

Many of our vehicles are provided with unlimited mileage. If a mileage allowance applies, it will be stated on your rental agreement and in your booking confirmation email. If you go over the mileage allowance, the price depends on the vehicle and location - please see our tariff conditions. Your excess mileage charge will be stated on your rental agreement.

Can I smoke in the vehicle?

No, it is against the law to smoke in public places in France. The vehicle is considered a public place so you are not allowed to smoke in it. If we believe anyone has smoked in the vehicle during the rental period, a specialist cleaning charge will apply.

## Winter equipment to rent

I'm concerned about the road conditions, do you offer all-weather tyres?

If your rental location is in a department where the Mountain law applies, the vehicle will be automatically equipped with it, and the price of your rental will automatically be increased with the cost of the corresponding option. If you decide not to subscribe to such option, and upon return of the vehicle we find that the snow chains have been used, you will be charged the corresponding price.

You can also opt to book a category of vehicle fitted with winter tyres.

Snow chains may also be available in some other rental locations, please check with the rental location. The price of snow chains appears in our Tariff conditions.
